

## APPROVALS, LISTINGS AND COMPLIANCES

**General:** Walk-in approvals, listings and compliances fall into two categories. The first is compliance without individual certification and the second requires specific submittal, possible testing and subsequent approval by specific number. HURRICILL® blast chiller listings and approvals have one category and are outlined in the third section.

**Compliances** - American Panel walk-ins comply with the following:

1. U.S. Department of Agriculture
2. American with Disabilities Act (ADA)
3. EPA - Clean Air Act
4. DOE Compliant
5. IECC requirements for WICF
6. International Building Code
7. International Mechanical Code
8. BOCA Building Code
9. OSHPOD - Seismic
